

California Community Colleges Diversity, Equity, and Inclusion Statement

With the goal of ensuring the equal educational opportunity of all students, the California Community Colleges embrace diversity among students, faculty, staff, and the communities we serve as an integral part of our history, a recognition of the complexity of our present state, and a call to action for a better future. Embracing diversity means that we must intentionally practice acceptance and respect towards one another and understand that discrimination and prejudices create and sustain privileges for some while creating and sustaining disadvantages for others. In order to embrace diversity, we also acknowledge that institutional discrimination and implicit bias exist and that our goal is to eradicate those vestiges from our system. Our commitment to diversity requires that we strive to eliminate those barriers to equity and that we act deliberately to create a safe and positive environment where individual and group differences are valued and leveraged for our growth and understanding as an educational community.

To advance the goals of diversity, equity, inclusion, and social justice for the success of students and employees, we must honor that each individual is unique and that our individual differences contribute to the ability of the colleges to prepare students on their educational journeys. This requires that we develop and implement policies and procedures, encourage individual and systemic change, continually reflect on our efforts, and hold ourselves accountable for the results of our efforts in accomplishing our goals.

As a collective community of individual colleges, we are invested in cultivating and maintaining a climate where equity and mutual respect are both intrinsic and explicit by valuing individuals and groups from all backgrounds, demographics, and experiences. Individual and group differences can include, but are not limited to the following dimensions: race, ethnicity, national origin or ancestry, citizenship, immigration status, sex, gender, sexual orientation, physical or mental disability, medical condition, genetic information, marital status, registered domestic partner status, age, political beliefs, religion, creed, military or veteran status, socioeconomic status, and any other basis protected by federal, state or local law or ordinance or regulation. We acknowledge that the concept of inclusion and diversity is ever evolving thus we create space to allow our understanding to grow through the periodic review of this statement. In service of these goals, the California Community Colleges is committed to fostering an employment environment that offers equal employment opportunity for all and an educational environment that ensures the equal educational opportunity of all students.
